Lyndhurst Health Department Will Offer Free H1N1 Vaccines for Residents and BOE Employees

The Lyndhurst Health Department will hold its next H1N1 Vaccination Clinic on January 12th. This clinic is open to anyone over the age of 3. Children must be accompanied by a parent.

All Lyndhurst residents and Board of Education employees and their families are eligible to receive this free vaccine.

The next H1N1 vaccination clinic will be held Tuesday January 12th from 4:00-7:00 pm at the Lyndhurst Health Department. Only the injectable H1N1 vaccine will be offered (no nasal mist vaccine). This vaccine is approved for those aged 3 and up and does not contain a preservative.

Appointments are required. Please call 201-804-2500 for your appointment.

Please click for [consent form](#).

Please visit www.lyndhursthealth.org for more information.
