The board reserves the right to refuse to accept any gift which does not contribute toward the achievement of the goals of this district or the ownership of which would tend to deplete the resources of the district.

The board shall be responsible for the maintenance of any gift it accepts.

The board will make every effort to honor the intent of the donor in its use of the gift, but reserves the right to utilize any gift it accepts in the best interest of the educational program of the district. In no case shall acceptance of a gift be considered to be an endorsement by the board of a commercial product or business enterprise or institution of learning.

Grants

Staff members are encouraged to seek out sources of grants and gifts, and bring them to the attention of the chief school administrator, who shall investigate the conditions of such grants and make recommendations to the board regarding the advisability of seeking them.
