

PURCHASING

The board of education authorizes and directs the chief school administrator or designee to execute contracts with proper vendors in accordance with state law to purchase subsistence amount of perishable foods without competitive bids. This policy shall be published annually as required by law, along with the procedures by which authorized vendors may become eligible to submit quotations.

The Food Service Director is authorized to purchase not more than \$250 worth of food supplies in any month for the cafeterias or home economics classes without soliciting quotations. Such purchases must be documented according to law.

Date: January 10, 1984

Revised: December 12, 1994
