

PRIVATE TUTORING

The board recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the district may require special help for some pupils beyond the regular classroom program. Tutorial instruction shall be interpreted to mean individualized instruction additional to, and in support of, regular classroom instruction.

Wherever possible within the working day, each teaching staff member shall assist assigned pupils in the remediation of individual learning difficulties.

In certain cases where extra help is desirable and the parents/guardians request such assistance, a teacher or administrator may recommend at parent/guardian expense that the parents/guardians secure tutorial services for the pupil.

To avoid placing a teacher in a position where he/she may have a conflict of interest, teachers shall not tutor, for a fee, pupils enrolled in their classes or upon whose evaluation or assignment they may be called upon to pass.
