

NONDISCRIMINATION/AFFIRMATIVE ACTION

The board of education guarantees to all persons equal access to all categories of employment, retention and advancement in this district, regardless of race, creed, color, national origin, ancestry, age, gender affectional or sexual orientation, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, a typical hereditary cellular or blood trait of any individual, nonapplicable disability or because of genetic information or refusal to submit to or make available the results of a genetic test.

An affirmative action program shall be a part of every aspect of employment not limited to but including upgrading; demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation including fringe benefits; employment selection or selection for training and apprenticeships; promotion; or tenure.

The board-designated affirmative action officer shall identify and recommend correction of any existing inequities, and any that occur in the future.

Harassment and Favoritism

The board of education is an affirmative action employer and holds all its employees responsible for maintaining a working environment that is free from all discriminatory practices. Harassment or favoritism on any basis included in the board's statement of equal access to employment, retention and advancement is prohibited.

Administrators and supervisors shall be familiarized with the actions which constitute harassment and favoritism. This material shall be included in the legally mandated affirmative action inservice training for all employees, and shall be clear and specific (see policy 2224). When harassment has been determined to have taken place, disciplinary action will follow. All such determination shall be reported to the board.

Sexual Harassment

The board of education shall maintain a working environment that is free from sexual harassment.

Administrators and supervisors will make it clear to all staff that sexual harassment is prohibited. No supervisory employee shall threaten or insinuate, either directly or indirectly, that an employee's refusal to submit to sexual advances will adversely affect the employee's continued employment, evaluation, compensation, assignment or advancement. No supervisory employee shall promise or suggest, either directly or indirectly, that an employee's submission to sexual advances will result in any improvement in any term or condition of employment of an employee. Sexually harassing conduct committed by nonsupervisory personnel is also prohibited.

Staff may file a formal grievance related to sexual harassment. The chief school administrator will receive all complaints. A thorough investigation will be conducted by the Lyndhurst Board of Education attorney. The rights of both the person making the complaint and the alleged harasser will be protected.

Findings of discrimination in the form of sexual harassment will result in appropriate disciplinary action. All appeals will be made

to the superintendent of schools. A further appeal maybe made to the Lyndhurst Board of Education.

"Whistleblower" Protection

The board prohibits discrimination or retaliation against any school employee who does any of the following:

- A. Discloses or threatens to disclose to a supervisor or to a public body and activity, policy or practice of the board that the employee reasonably believes is in violation of a law, or a rule or regulation established pursuant to law.
- B. Provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into any violation of law, or rule or regulation established pursuant to law by the board; or
- C. Objects to, or refuses to participate in any activity, policy or practice which the employee reasonably believes is in violation of law, rule or regulation; is fraudulent or criminal; or is incompatible with public health, safety or welfare or protection of the environment.

The board shall ensure that notices are posted conspicuously each school, informing employees that they are protected under the "Conscientious Employee Act."

Report on Implementation

The chief school administrator shall devise regulations, including grievance forms and procedures to implement this policy. He/she shall be responsible for informing staff

annually of the identify and location of the affirmative action officer and the implementing procedures.
