

### REPORTING TO PARENTS/GUARDIANS

The board believes that the cooperation of school and home is vital to the growth and education of the whole child. It recognizes its responsibility to keep parents/guardians and or their designee informed of pupil welfare and progress in school.

The board directs the establishment of a system of reporting pupil progress which shall include written reports, pupil-teacher conferences, and parent/guardian and or their designee teacher conferences. If the parent/guardian's primary language is other than English, translation shall be provided when-ever possible.

The chief school administrator shall develop procedures for reporting pupil progress which:

- A. Use various methods of reporting appropriate to grade level and curriculum content;
- B. Ensure that both pupil and parent/guardian and or their designee receive ample warning of a pending grade of "failure" or one that would adversely affect the pupil's status;
- C. Enable the scheduling of parent/guardian and or their designee teacher conferences in such places and at such times as will ensure the greatest degree of participation by parents/guardians and or their designee;
- D. Specify the issuance of report cards at intervals of not less than four times during the school year and issuance of deficiency notices as required during the school year.
- E. Ensure the continual review and improvement of methods of reporting pupil progress to parents/guardians and or their designee and involve pupils, staff and parents/guardians and or their designee in that review.

A record shall be kept indicating the legal custodian of each pupil, so that reports can be made to and conferences arranged with the proper person.
