NURSING SERVICES TO NON-PUBLIC SCHOOLS

In keeping with Board of Education policy to provide nursing services to non-public schools and in compliance with Chapter 226 laws, the following services will be provided to the township's non-public schools.

1. Assist with medical examinations, including dental screening.
2. Conduct hearing screenings, adhering to N.J.A.C. 6:29-5, Audiometric Screening.
3. Maintain student health records, and notify county health officials of any student who has not been properly immunized.
4. Conduct examinations of pupils between the ages of 10 and 18 for scoliosis, as provided for in N.J.S.A. 18A:40-4.3.
5. Provide emergency nursing care provided to public school pupils to those pupils who are enrolled full-time in the non-public school(s) and who are injured or become ill at school or during participation on a school team or squad.
6. Consult with non-public school administrators to determine interest in participation and equitable levels of service.
7. Collect, maintain and, as needed, disseminate all required documentation regarding both participating and non-participating schools.
8. Provide all necessary personnel and materials for State Department of Education monitoring.
