DISTRIBUTE TO: Principals, Guidance Counselors, School Nurses and others

CONTACT: 1-800-701-0710

As the attached letter from Commissioner Davy explains, NJ FamilyCare is a very important program to provide fee or low cost insurance for children and their parents who aren't covered. Please distribute the Commissioner's letter to students in your district in whatever manner is most appropriate. In addition, make the other materials available as needed. Fact sheets in other languages (Gujarati, Hindi, Korean, Polish, Portuguese, and Tagalog), as well as additional materials, can be found at: www.njfamilycare.org. Materials can also be ordered using the attached "Literature Order Form."

We appreciate widespread dissemination of information about NJ FamilyCare to your principals, guidance counselors, school nurses and any other staff who could assist in identifying and reaching out to families who are uninsured. Please use all available avenues to disseminate information, including your district/school newsletters, websites, back to school announcements and any other ways that you deem appropriate. Thank you for your cooperation. Questions about NJ FamilyCare should be directed to 1-800-701-0710.
