

UNIFIED CLUB

Lyndhurst Public School District

Dear Parent/Guardian,

Roosevelt School will be participating in the Unified Schools initiative in partnership with the US Department of Education and Special Olympics New Jersey. The Play Unified School Partnership aims to build a society of acceptance and inclusion for all people. We know that students, with their energy, idealism, and creativity, can be not only participants but leaders in this mission.

The Play Unified Club will give young people the tools, platform and empowerment to be the change makers in helping us reach this vision. In this program, students will have the opportunity to interact through sports, competition, social, academic, and recreational activities. The Play Unified Club will build character, increase acceptance of others, develop leadership skills, and enhance the school community.
