The Boy Scouts of America is one of the nation's largest and most prominent values-based youth development organizations, providing programs for young people that build character, trains them in the responsibilities of participating citizenship and develops personal fitness. For more than 100 years, Boy Scouts of America has helped build future leaders by combining educational activities and lifelong values with fun. Boy Scouts is more than something to do. It's all about the boy you are and the person you will become.
