### **LYNDHURST BOARD OF EDUCATION PUBLIC STATEMENT**

The Lyndhurst Board of Education has learned that a newspaper article was published on June 17, 2017 on the Northjersey.com website titled “Lyndhurst Junior High in question after court order”. This article states that the project to construct a junior high school at Matera Field is now “in question.” This is not accurate.

The civil court case referenced in the article has concluded. The case against the Board of Education and the Township is dismissed, pursuant to a Court Order signed on June 16, 2017.

The Court ordered that the matter shall be remanded to the Township of Lyndhurst and its Commissioners for official action to confirm the 2016 Shared Services Agreement with the Board of Education approving a school facilities improvement program.
