Dear Parents:

Although your calendar still says August, the school year is almost upon us. As the new Superintendent of the Lyndhurst Public Schools, I am eager to begin working closely with all of you to provide your children with an optimal educational experience.

It is with great excitement that I begin my professional journey here at the Lyndhurst Public Schools. I grew up in nearby Bloomfield, New Jersey and my experience includes diverse roles including the following: Teacher of the Handicapped, Advisor/Coach, Assistant Principal, Director of Special Services, Director of Athletics, Assistant Superintendent, and Superintendent of Schools. I have learned many things from each of these positions that I am excited to share as your Superintendent.

I am proud to say that we have a talented and devoted staff that has already impressed me with their knowledge, work ethic, and overall skill set. As a unified team, our mission will be to continue to expose our children to 21st century opportunities in the classroom and beyond.

As we begin the 2018-2019 school year, please consistently check our website, district calendar and parent portal for important updates. You will receive e-mail, phone, and/or text alerts from our automated system throughout the school year. Should you have any questions or concerns during the school year, initially contact your child's school to be guided in the proper direction. Also, you are welcome to follow me on my new Twitter account- [@LyndhurstBOE](#).

Lastly, please be reminded of the following important dates (time schedules will be posted on individual school websites, as well as the district website under **District Information**):

- **Wednesday, September 5, 2018** is the first day of school for students (4-hour day).
- **Memorial and LHS Back-to-School Night- 9/13- 4-hour day for Memorial and LHS students-** (time schedule will be posted on school and district website).

Sincerely,
