Washington School:

- Washington School, Lyndhurst, celebrated the 100th day of school with an act of giving, and the response was TREMENDOUS!
- Under the leadership of K-1 teacher, Mrs. Christina Bernardo and her aide, Mrs. Sue Cunniff, a variety of items were collected and then donated to the Lyndhurst Food Pantry. Pre-K and Kindergarten students collected 130 paper products, First grade students collected 130 soap items, Second Grade students collected 220 non-perishable food items, and Third Grade students collected 150 personal hygiene products. The Lyndhurst Women's Club extended to us their thanks for our donation.
- Special thanks go out to Mr. Angelo Barbosa, school custodian, and the district maintenance department for helping to transport the items to the Lyndhurst Food Pantry. The generous efforts of all teachers, students and their families are truly appreciated.
- Washington School students have displayed an increasing rise in attendance. We have made 95% attendance our daily goal and have had a vast number of days in which we have surpassed this goal. This improved attendance is the result of fantastic at-home support of academic success; thanks to all parents/caregivers who are helping to develop important "college and career readiness" habits with our young learners.
- On February 25th, Dr. DiCamillo presented a Dental Health assembly thus reinforcing the importance of good dental health habits with our students. Our thanks to him for his time and for the sharing of practices to keep our students' smiles healthy and white.
- Throughout the week of March 3rd, Washington School celebrated the joys of reading. Each day of the week was devoted to a book by Dr. Seuss, in honor of his birthday, and students school-wide took part by wearing attire that matched that day's learning activities. From hands-on activities, such as the making of truffula trees and oobleck, to intellectual activities like analyzing quotes of Seuss and identifying themes in his literature, students in all classes were engaged and engrossed in learning and the energy that emerged from these high levels of brain activity was contagious! Special thanks and recognition go to the overwhelming number of parents/caregivers who served as guest readers to our students.
- On March 5th, NJ Devils alumnus Bruce Driver and "NJ" the Devil (the official mascot of the NJ Devils) visited Washington School to read to our students and foster the joys and importance of reading. The laughter was loud, the experience exciting, and the moments were memorable.
- The Box Tops Lunch Bunch continues to meet each month to clip, count, and redeem our collection of Box Tops. Each month, students from a particular grade, recognized for outstanding achievement (based on factors determined by each classroom teacher) enjoy a special lunch with the group's advisors Mrs. Hamilton, Ms. Fragale, Mrs. Bernardo, and Mrs. Tulloch. During this lunch time gathering, they clip, count, and organize the boxtops to prepare the submission to General Mills. Our current total is \$382 and our goal is to collect \$1000 worth of box tops. Thanks to all those who support our school by clipping Box Tops – we welcome all donations!

- Our K-3 guidance counselor Mrs. Fagan, along with the support of teacher Katie Day and speech therapist Melissa Hamilton, hosts a social lunch group two days/week at Washington School. The focus of this group is to help students develop knowledge of conversation skills, promote social interaction, and provide a positive climate and comfortable area in which to explore and practice socialization among their peers. The response has been one of success, as fun and newfound friends have emerged as a result of the group's activities.
