

Meet Our Principal

Education

-Undergraduate Degree in Special Education from William Paterson University

- Masters Degree from the College of Saint Elizabeth in Educational Administration.

Family

I have been blessed with a wonderful wife and two beautiful children that are the best part of everyday for me.

Interests

My interests outside of work include a passion for golf and travel with my family. In addition, my family's relationship with our Church is very important.

It is an honor to serve as Principal here at Roosevelt School. I am privileged to work alongside the outstanding faculty, students, and parents that make up our school community.

I started my career as an administrator here at Roosevelt School in 2007. Roosevelt School will always have a special place in my heart, and I look forward to facilitating a bright successful future for all of our students.

Students at Roosevelt School enjoy a diverse range of educational opportunities; access to all our dedicated and well-qualified teachers; a fully inclusive and welcoming learning environment - as well as benefitting from the personalized learning that occurs in all classes and across the entire school.

You will quickly notice that our strong relationship with the PTA is critical to the relationship of home and school. We encourage joining us at any of our public meetings. We look forward to seeing you!

You are always very welcome to visit our school and meet with me at any time.

Kind Regards

Peter G. Strumolo
