6. BE IT RESOLVED, that the Lyndhurst Board of Education approve the attached Program Salaries and State/Federal Funded Program Line Accounts for the 2010-2011 school year.
7. BE IT RESOLVED, that the Lyndhurst Board of Education approve the following New Middle School at Matera Field resolution.

**RESOLUTION**  
**New Middle School at Matera Field**

**WHEREAS**, the Lyndhurst Board of Education (“Board”) desires to construct a new Middle School at Matera Field to benefit the residents of Lyndhurst; and

**WHEREAS**, the current Lyndhurst School system building facilities are in immediate need of maintenance, repair, and/or upgrading as the majority of the Lyndhurst school buildings have been built between the late 1800’s and the mid 1900’s

**WHEREAS**, Benecke Economics has been engaged to assist the Township of Lyndhurst (“Township”) to coordinate the potential construction of a new Middle School at Matera Field located off of Ridge Road; and

**WHEREAS**, the project includes the construction of a \$37,000,000 Middle School similar to the one envisioned in the March, 2007 project application approved by the State Department of Education in May, 2007; and

**WHEREAS**, the newly minted project will be voted on by public referendum on January 25, 2011 or as soon thereafter as possible. The amount of the referendum is estimated at \$30 million, with the remaining \$7 million being financed by the Township, for use of the OEM facilities and classroom space for senior and other such community programming.

**WHEREAS**, the new school is part of the district's long range facilities plan, as may be reasonably modified as necessary to meet the Township's and Board of Education's needs.

**WHEREAS**, the within concept is to, but not limited to, re-district the schools (intra-Lyndhurst); and to positively affect localized school crowding and inefficiencies, such as transporting school lunches from one school, where food is prepared, to another school, where food is served, and

**WHEREAS**, the Lincoln School and Matera Field are now designated as an Area in Need of Redevelopment; and

**WHEREAS**, it is the intention of the School Board when appropriate, after the approval of the referendum, to sell or lease the Lincoln School facility as part of the Township redevelopment plan; and

**WHEREAS**, DMR Architects proposed plans include the need for the Township OEM facilities; and

**WHEREAS**, projected financing plans, including note/bond amortization schedules, etc. have been submitted and reviewed by the Board; and

**WHEREAS**, the DMR Architects and Benecke Economic's Principal Planner, Fred Suljic, PP will be reviewing the condition of the facilities and they will be working with the Superintendent and Board relating to students, demographics, etc.; and

**WHEREAS**, the Board will then objectively present the finalized project with its related facts to the public for a referendum vote as per the laws of the State of New Jersey.

**WHEREAS**, construction costs are generally lower in this current economic climate and financing costs are favorable, and

**WHEREAS**, the Lyndhurst Board of Education as a result, in part of deferring building facility improvements over the years, in anticipation of a Middle School or like project, has minimum outstanding financing debt. It has further been determined that to wait or delay such a school facilities action will only cost the taxpayers more money in the long run; and

**WHEREAS**, the Board will be asked to approve a State School Facilities Grant Application, and qualify for Debt Service Funding, if available.

**NOW THEREFORE, BE IT RESOLVED** the Lyndhurst Board of Education hereby acknowledges its support of the construction of a new Middle School at Matera Field with related actions as described above. Moreover, the Board Superintendent and Board Attorney are hereby authorized to execute the required documentation to have the proposed new Middle School plan at Matera Field submitted for public referendum as per the terms of the State of New Jersey.
